

INCLUSIVE WEBSITE EXPERIENCE

Lake-Sumter State College is committed to ensuring that all students and visitors, including persons with disabilities, are able to access and use all of our services, programs and activities. We recognize that many individuals are increasingly using our website to access information and obtain services.

We understand that website users who have disabilities may use the website with the assistance of technology, including screen readers, captioning, transcripts, and other auxiliary aids and services. We are committed to providing all website users with information about our services and alternative ways we can offer these services.

Lake-Sumter State College is committed to making our websites accessible to all audiences. We are

**DISTRICT BOARD OF TRUSTEES
LAKE-SUMTER STATE COLLEGE
LEESBURG, SUMTERVILLE, CLERMONT
MAY 15, 2019**

The regular meeting of the District Board of Trustees, Lake-Sumter State College, was called to order at 5:00 p.m. on May 15, 2019, in the Board Room at the Leesburg Campus, by Mr. Pete Wahl, Board Chairman. In attendance was Mr. Bryn Blaise, Mrs. Marcia Butler, Jennifer Hill, Jennifer Hooten, Bret Jones, and Emily Lee. Ms. Lee welcomed those in attendance and invited them to join in the Pledge of Allegiance followed by a moment of silence.

PRESENTATION

Kevin Yurasek introduced the new website that was launched on May 14th. The new site has been developed to assist with the development of digital campus maps. They are all GPS located which will lead you directly to the building you are searching for.

It is responsive and customizable to any device it is currently being viewed on. The new website is just another feature we have added that has taken LSSC to another level of quality services that we are able to provide for our students.

The meeting recessed for a break at 5:05 p.m. and resumed at 5:20 p.m.

CONSENT CONSIDERATIONS- ACTIONS and ACKNOWLEDGEMENTS

Emily Lee moved, and Marcia Butler seconded the motion to approve as presented agenda items numbers 438 through 445 with the exception of Item 12 Dental Hygiene Linkage on transmittal 439 that was pulled for modification as follows:

HB7071 The bill promotes career education and readiness opportunities for students in public schools and provides responsibilities for district school boards, the Department of Education (DOE), and the Commissioner of Education (commissioner) regarding career education opportunities; provides flexibilities and supports to public schools regarding teacher recruitment and training; strengthens transition pathways to college and career opportunities; establishes alignment between education and workforce needs; and specifies provisions related to the consolidation of accreditation of the University of South Florida branch campuses.

Specific impacts to the FCS include:

- That the statewide articulation agreement between the State Board of Education and the Board of Governors of the State University System of Florida (BOG) shall provide for a reverse transfer agreement for Florida College System (FCS) associate in arts (AA) degree-seeking students who transfer to a state university after earning more than 30 credit hours from an FCS institution but before earning an AA degree; and specifies related requirements for the state universities.
- That each career center and FCS institution with overlapping service areas must annually submit to the DOE by May 1, a regional career pathways agreement for each certificate program offered by the career center that is aligned with an associate degree offered by the FCS institution in the service area. Each career pathways agreement must guarantee college credit toward an aligned associate degree program for students who graduate from a career center with a career or technical certificate and meet specified requirements in accordance with the terms of the agreement.

Recruiting: The key to success for this program will be to build relationships with secondary educators in Lake and Sumter Counties. One mechanism to accomplish this will be the Florida Institute for Teacher Excellence (FLITE). FLITE will focus on professional development for teachers and students interested in becoming teachers geared towards best practices in teaching, classroom management, communication skills, and reflective thinking. The official launch of FLITE is scheduled for November
